Grace is pleased once again to host our 4th Annual Oktoberfest here at Grace!

This Saturday, September 27, 2025!

NEW THIS YEAR:

Additions to our food menu! More Bier from Munich!

Kinder Kraft Tent!

Veterans receive free entry in memory of 1st Sgt. Steven Middleton

The celebration will be from **11:00 AM - 4:00 PM** and will feature traditional German food, such as bratwurst, sauerkraut, German potato salad, pretzels, and black forest cake! In addition to the delicious food, there will be beer and wine, soft drinks, a raffle, and an accordionist who will play some favorite German songs. Wear your lederhosen or your dirndl. There will be a photo booth with props where you can smile, laugh and have fun.

In Prov. 17:22, we read, "A merry heart doeth good like medicine."

Being with Christian friends and having a merry time is indeed wonderful therapy for each of us, and God encourages us to do just that.

OKTOBERFEST MISSION

The Annual Grace Lutheran Church Oktoberfest has had a 3-fold purpose since its inaugural in 2022.

1. For the building up of fellowship amongst our church family, friends, and community through an annual celebration of our heritage, church history and the enjoyment of life together through food, drink, song, and dance.
2. To increase community exposure and presence.
3. To raise funds for a specific ministry aspect of Grace.

None of the above are to be placed above or below the other so as not to neglect the mission. They are to be balanced for the future success of this event and to benefit the ministry of Grace Lutheran Church.

All proceeds this year will support our ministry expansion in the purchase of 120 Espejo and the new building fund. Thank you all for your attendance and contributions! Invite your family and friends!

Have a joyful Oktoberfest with us - and praise the Lord with a merry heart!

Prost! - Pastor Miller

ANNOUNCEMENTS

- On Sunday, September 28, we will have a rite of blessing for the Espejo House since contractor work began last week. A special open house blessing will be done in the future once we are moved in. We must first receive approval from the city for a conditional use permit, which is a timely process, before we can move in. In the meantime, progress is being made with repairs, restorations and improvements. More details on the current repairs and improvements will be forthcoming.
- **HELP NEEDED! From our Head Trustee:** Our handrails and rod iron inside and outside of the church are in desperate need of a good paint job. Need volunteers for this short-term project. If you have not volunteered for a project before, or if it has been a while since you have been on a project, come join as this is a great way to meet and get to know other members.
Workdays would be:
 - **Oct. 11th 8:00 to 12:00**
 - **Oct. 25th 8:00 to 12:00**
 - **Nov. 8th 8:00 to 12:00**

If you can assist in this project, contact Bob West @ rs1959@yahoo.com with subject line "Grace Lutheran" or just show up on the dates listed.

- Stewardship letters and pledge cards have been sent for planning our 2026 ministry budget. If you have not received one, they are available in the back of the church. If you can, please respond by October 26. Thank you!

Newsletter "From the Bookkeeping Dungeon":

A few people have asked about the finances for purchasing the Espejo House and below is a review of the financials presented at the special meeting on August 6, 2025.

In developing the financial documents to evaluate the purchase of the house, a collection of the expenses of the current owners for utilities and insurance were used and some operational expense proposals were obtained, and it was estimated that the increase to the current operational expenses for Grace would increase budget expenses \$958.83 monthly or \$11,506 annually.

Then the net gain/loss of the congregation was examined for the first 7 months of the year and was determined to be a gain of \$8,693.70 for the first 7 months. With this information, funds were looked at to see how much would need to be financed to purchase the house.

Some of the money in the general fund would be used and money would need to be "borrowed" from the New Building Construction Fund (NBC). Two "source of funds" plans were developed, a Plan A and Plan B. The main difference was the use of the McGowin funds for the purchase of the house which meant that less money had to be borrowed from the NBC Funds. Plan A was what was included in the motion to purchase the property.

The funds that would be borrowed from the NBC funds would be paid back to the NBC fund with an interest rate of 4.2%. The percentage was pulled from the interest rate that the money had been earning and the pay back would be over 20 years. At the time of the special meeting

the information presented indicated that there would be a need for approximately 1% to 3% increase in giving to cover operating expenses and to reimburse the NBC Fund.

LCEF Loan Rate~6.23%				from NBC Funds
CD Rates		4.20%	Approx	Change these values to see the impact to the payments
.	\$	119,185.68		
10 YR		\$1,218.06	Monthly NBC Fund Reimbursement	
15 YR		\$893.60	Monthly NBC Fund Reimbursement	
20 YR		\$734.86	Monthly NBC Fund Reimbursement	
30 YR		\$582.84	Monthly NBC Fund Reimbursement	
Plan A				
		Monthly	Annual	
Increase in Budget Expenses	\$	958.83	\$ 11,506.00	
Based on 20 yr reimbursement period		\$734.86	\$ 8,818.37	NBC Fund reimbursement
Total	\$	1,693.70	\$ 20,324.37	Op Costs and Fund reimbursement
Annual Net Gain or Loss (8/4/25)	\$	8,679.43	7 months	
Property increase to budget	\$	11,855.88	7 months	
Net Loss	\$	(3,176.45)	7 months	
Percent increase in giving needed		2%		
% increase in giving needed	Approx 1% - 3%			

However, because of a couple of generous donations for the purchase of the house, the amount of funds borrowed from the NBC Fund was \$109,651. The current monthly payment to the NBC Fund will be \$676.08 which includes principal and interest.

Three new designated funds have been established for the Espejo House, to address member giving intentions, that need to be clarified so that everyone understands their purpose and that their contributions go for their intended purpose. They are:

Espejo House – Principal

Espejo House – Other

Espejo House – Remodel

The “Espejo House - Principal” is used to pay on the principal on the loan of money that came from the New Building Fund.

The “Espejo house – Other” is used for all property improvements, remodeling, repairs needed for the house to correct items identified by inspections, and needed to use the building as an office. It is like a capital fund for the building startup to do the items necessary for building maintenance, required modifications, repair, remodel, and improvements for using the building as an office.

The “Espejo House – Remodel” is used strictly for remodeling (i.e. interior painting, build a new back deck, interior renovations, enhanced backyard lighting, etc.) and to purchase new furniture for the house.

If you have any questions, please ask myself, Tom Hankins, or any council member.
