

The Herald of Grace

A Weekly Newsletter for Grace Lutheran Church

July 30, 2026

From the Congregational President

July 30, 2026

Thank you again for your confidence in me and for your continued support as I serve in the Church Council President role at Grace. The first half of 2026 has been a rewarding season in the Lord's ministry here—one that extends far beyond the Council and includes so many of you who generously give your resources and countless hours of your time in faithful service. I am deeply grateful to each of you.

If you are looking for ways to contribute, please prayerfully consider volunteering to teach a Sunday School class or serve as an usher during worship services. From personal experience, I can say that both are rewarding opportunities to serve—and materials, guidance, and instructions are provided!

As we move into the second half of the year, I look forward with gratitude and confidence to all that God will continue to do through the people of Grace. Thank you for your prayers, service, and faithful commitment to the Lord's work here. May we continue to serve together with joyful hearts, trusting in the Lord's guidance every step of the way.

Julie Harvey

Church Council President

Carillon Donation Challenge This Summer!

We have a generous anonymous donor who is matching up to \$7500 for a new digital Carillon system. Our goal is having the Carillon operational for Christmas. The cost of the new system will be approximately \$18,000. Together with current funds raised and the donor's \$7500 match, we can easily meet the goal by the end of the summer.

Cash and coins can be placed in the wooden church donation box in the narthex. Checks are to be made to Grace Lutheran Church with the memo line marked "Carillon Project". Checks can be placed in the offering plate.

Thank you and we look forward to bells ringing once again from Grace Lutheran Church praising our Lord and serving the community.

New Facility Use Policy

July 30, 2026

Grace is blessed to have welcoming spaces where our congregation can gather for worship, fellowship, learning, and service. Earlier this year, Grace's Church Council commissioned a facility use committee to develop clear guidelines for the use of church facilities, including the newly added Espejo House, so these spaces can be shared with care and respect.

The adopted policy is designed to support safety, stewardship, thoughtful scheduling, and respectful use of all church spaces. In that spirit, it will help Grace:

- care well for the facilities entrusted to us
- make scheduling consistent for all groups
- keep our shared spaces safe, welcoming, and ready for ministry

As part of this policy, those requesting use of church facilities will be asked to:

- schedule use of space in advance through the church office
- complete a Building Use application/agreement, available in the church office, for member-sponsored events
- clean up after use, return rooms to their original condition, and care responsibly for church property

Copies of the new policy are available in the church office. We invite you to review the policy before requesting use of church facilities, and to contact Debbie Milling, Marilyn Griffin, or Juie Harvey with any questions or feedback. Thank you for helping Grace care faithfully for the spaces we share!
